UC SERVICE CENTERS

UC claim services are accessible to individuals on the internet at www.uc.pa.gov, or by calling 888-313-7284, connected to UC Service Centers located across the commonwealth. UC Service Centers provide a full range of services for state and federal UC programs, including taking initial applications for benefits, determining eligibility, processing biweekly claims and getting claimants connected to re-employment services. As part of the fact-finding process to determine claimant eligibility for UC benefits, UC Service Centers may send a questionnaire or call you directly for information.

As an employer, your business can receive prompt and courteous service on UC eligibility issues using the special employer services telephone number, 866-223-4718. This number allows employers to address claim or appeal issues as well as obtain general UC benefits information without going through the claimant service queues. Calls are routed to the appropriate UC Service Center based on the telephone exchange area from which calls are placed. Hours of operation are Monday through Friday 8 a.m. to 4 p.m.

REPORTING UC FRAUD

To report potential UC program fraud, go to www.uc.pa.gov or call the UC Fraud Hotline at **800-692-7469**.

Detection of improper UC benefit payments helps the department prevent or reduce erroneous benefit payouts, which, in turn, decrease the employer's unemployment compensation taxes. Employers can assist the department by always complying with the department's requests for information regarding UC claims, providing that information promptly, making certain the information given is as accurate and complete as possible, and contributing any other information that can help in the department's investigation to determine if benefits have been fraudulently paid.

PENNSYLVANIA CAREERLINK®

PA CareerLink® services are available 24 hours a day, seven days a week, online at **www.pacareerlink.state.pa.us**. For in-person service, the website also lists PA CareerLink® offices conveniently located throughout the commonwealth.
